

DANIEL B. BASER.
CAPTAIN DARIUS HAWKINS.

MARCH 5, 1840.

Laid on the table.

Mr. CHITTENDEN, from the Committee on Invalid Pensions, made the following

REPORT:

The Committee on Invalid Pensions, to whom was referred the petition of Captain Darius Hawkins, of the city of Rochester, New York, for arrearages of pension, respectfully report :

That they have examined the papers submitted, which appear to have been made with particular reference to obtaining a pension, and not for arrearages. From the certificate of the physician and others, the committee are of opinion that the petitioner was not totally disabled from the time he received the wound (1812) up to the time his name was placed upon the pension-roll ; and even the petitioner, in his application above referred to, does not so state. The committee, therefore, ask leave to offer the following resolution :

Resolved, That the prayer of the petitioner be not granted.
